### **EXPERIENCE**

---

#### **University of Pennsylvania, Perelman School of Medicine, Dep't of Medical Ethics and Health Policy, Philadelphia, PA**

*Research Project Manager, Jan. 2026 – present*

Contributed to policy and legal research on FDA reforms, helped manage IRB submissions, organized logistics for Delphi study, and contributed to project manuscripts and dissemination activities.

#### **U.S. Food and Drug Administration, Office of the Chief Counsel, Silver Spring, MD**

*Full-time Attorney, Mar. 2024 – May 2025*

Served as Assistant Chief Counsel specializing in the regulation of generic drugs, orphan drugs, and pediatric drugs.

#### **California Dep't of Justice, Health Quality Enforcement Section, Los Angeles, CA**

*Full-time Intern, Apr. – June 2023*

Researched state law and attended administrative proceedings related to disciplinary actions filed against healthcare professionals for violations of the state's Business and Professions Code. Wrote and filed a motion in the Los Angeles Superior Court.

#### **Stanford Law School, Juelsgaard IP and Innovation Clinic, Stanford, CA**

*Full-time Clinic Student, Jan. – Mar. 2023*

Drafted a motion to intervene and unseal court records in a patent case in the Western District of Texas. Wrote a white paper on behalf of a nonprofit advocating for reform to the NSA's surveillance activities under the Foreign Intelligence Surveillance Act.

#### **U.S. Food and Drug Administration, Office of the Chief Counsel, Silver Spring, MD**

*Full-time Intern, June – Aug. 2022*

Researched federal law and regulations on matters involving FDA-regulated products, such as drugs, biologics, food, medical devices, cosmetics, veterinary products, and tobacco products. Wrote memos and provided case and statutory summaries for the drugs, foods, veterinary medicine, litigation, and cross-cutting teams.

#### **California Dep't of Justice, Health, Education & Welfare Section, Los Angeles, CA**

*Full-time Intern, June – Aug. 2021*

Researched state and federal law related to actions to enforce state agencies' rights in public health matters. Drafted brief opposing plaintiff's motion to deny Medi-Cal lien in medical malpractice case. Participated in a client interview and drafted a declaration and motion for summary judgment in a Fourteenth Amendment case.

#### **National Institutes of Health, Bioethics Dep't, Bethesda, MD**

*Full-time Research Fellow and Ethics Consultant, Sept. 2018 – Sept. 2020*

Published and presented mentored research projects. Served as fellow-on-call for the Bioethics Consultation Service. Participated in Clinical Center Ethics Committee, Institutional Review Board meetings, clinical rounds, course on ethical and regulatory aspects of clinical research, and bioethics seminars.

#### **Esperanza Immigrant Rights Project, Los Angeles, CA**

*Full-time Pre-law Intern, June – Sept. 2017*

Led legal orientations in Spanish at the Los Angeles Immigration Court and Adelanto Detention Center. Performed intakes of minors and adults in immigration removal proceedings to answer questions in a confidential environment, assess eligibility for legal relief, and make referrals to ancillary services. Researched

country conditions for asylum applicants detained at Adelanto Detention Center. Assisted direct representation program for adults deemed mentally incompetent and unable to represent themselves.

**Stanford Medical School, Stanford, CA**

*Principal Investigator, Sept. 2015 – Sept. 2017*

Conducted international survey study on social support in cystic fibrosis. Completed human subjects training, received approval through Institutional Review Board and Hospital Ethics Committees, enrolled 110 patients, and analyzed data.

**Cystic Fibrosis Foundation, Patient and Family Research Advisory Committee, Bethesda, MD**

*Co-founder, Sept. 2015 – Sept. 2017*

Co-founded “Insight CF,” the Cystic Fibrosis Foundation’s first patient-driven research initiative. Solicited and reviewed 441 research questions from cystic fibrosis patients and relatives. Engaged 1,795 community members in prioritizing 22 final research questions, representing the Cystic Fibrosis Foundation’s most successful engagement effort. Findings illustrate that patients are interested in research involvement beyond the traditional role of research subject.

**Cystic Fibrosis Foundation, Public Policy Dep’t, Bethesda, MD**

*Full-time Intern, June – Aug. 2013*

Organized Teen Advocacy Day attended by 55 teenagers from 23 states to meet with more than 200 members of Congress. Compiled evidence of variability in healthcare coverage offered to cystic fibrosis patients across state boundaries. Successfully lobbied for the passage of the Ensuring Access to Clinical Trials Act.
